Gentlemen:

RECEIVED
MAY 5 - 1938

On the death record of Henry Oliver West, who died in Glenns Ferry, Idaho Jan. 17, 1938, the wife's name is given "May West" which is not correct, according to information received from the W.P.A. office in Boise.

This woman's name is Leota Pearl West, and before we can change this, it will be necessary for you to authorize us to make this change on the original death record, which we have in this office.

Kindly make a notation on the bottom of this letter changing the wife's name from "May West" to Leota Pearl West", and return to this office at once, as compensation is being held up because of this incorrect information.

Thanking you in advance for your very prompt attention to this matter, we are,

Very truly yours,

Division of Public Health

I find that the name May West as was given on the death certificate of Henry Oliver West is incorrect. Leota Pearl West is the correct name for his wife.

Re: Mrs. Sarah Jane Harmon

Dear Doctor:

When I made out the certificate of death for Mrs. Sarah J. Harmon, who died on February 24, 1938, either I or my stenographer failed to put down the immediate cause of death which was Paralytic stroke, (hemiplegia) and occurred on February 11, 1938. I called Dr. Kinnaird, the registrar for births and deaths, to have him make the correction but he asked me to communicate directly with your office. I am therefore returning the certified certificate of death to have this notation placed on it and returned to me.

Yours very truly,

JWW/sh
